

Viewing users who are blocked from your organization

You can view a list of all users whom you or other owners have blocked from your organization. If a user was blocked for a specific amount of time, you can see the amount of time they were blocked for.

- 1 In the top right corner of GitHub.com, click your profile photo, then click  **Your organizations**.

- 2 Next to the organization, click **Settings**.
- 3 In the sidebar, select  **Moderation**, then click **Blocked users**.
- 4 Under "Blocked users", review the list of users who are blocked from your organization.
