

Renewing your client's paid organization

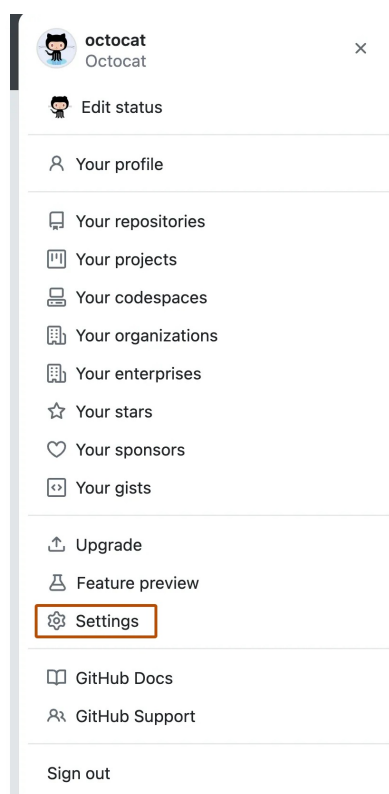

If your client's organization has a valid payment method on file, their yearly subscription will automatically renew. Billing managers can view and update the organization's payment method and subscription.

If you're not a billing manager for the organization, ask your client to have an *owner* of the organization [add you to the organization as a billing manager](#).

Tip: Billing managers can also [change the organization's number of paid seats](#) anytime.
