

# Renaming custom fields

Learn about renaming existing custom fields in your project.

- 1 Navigate to your project.
- 2 In the top-right, click ... to open the menu.

- 3 In the menu, click ⚙️ **Settings** to access the project settings.
- 4 Click the name of the custom field you want to rename.
- 5 Under "Field name", type the new name for the field.
- 6 To save changes, press `Return`.
