

Deleting a team

Organization owners can delete teams at any time from the team's settings page.

Tip: Only organization owners can delete parent teams. For more information, see "[About teams](#)."

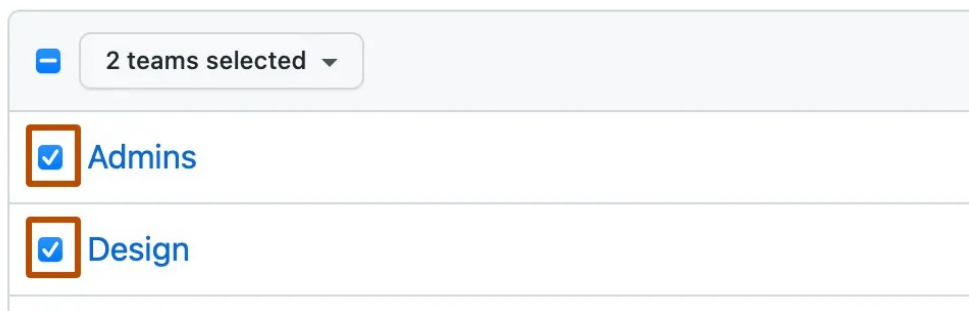

- 1 In the top right corner of GitHub Enterprise Server, click your profile photo, then click **Your organizations**.

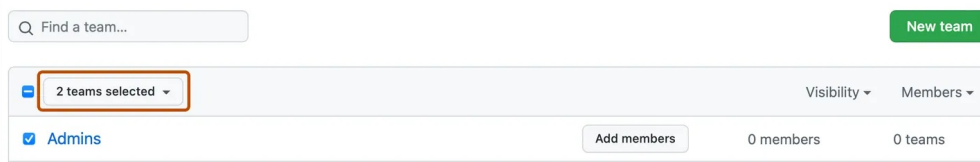

- 2 Click the name of your organization.
- 3 Under your organization name, click **Teams**.

- 4 Select the team or teams you'd like to delete.

- 5 Above the list of teams, select the **X teams selected** dropdown menu and click **Delete**.

- 6 Review the team or teams that will be deleted, then click **I understand, delete teams**.
