

Editing a saved reply

You can edit the title and body of a saved reply.

- 1 In the upper-right corner of any page, click your profile photo, then click **Settings**.

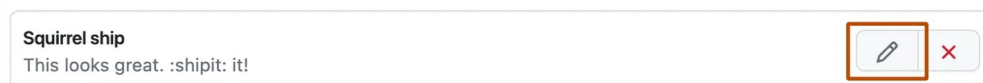

- 2 In the "Code, planning, and automation" section of the sidebar, click **Saved replies**.

- 3 Under "Saved replies," next to the saved reply you want to edit, click .

Saved replies

Saved replies are re-usable text snippets that you can use throughout GitHub comment fields. Saved replies can save you time if you're often typing similar responses. [Learn more](#).

- 4 Under "Edit saved reply," edit the title or content of the saved reply.

- 5 Click **Update saved reply**.
