

This version of GitHub Enterprise was discontinued on 2023-03-15. No patch releases will be made, even for critical security issues. For better performance, improved security, and new features, [upgrade to the latest version of GitHub Enterprise](#). For help with the upgrade, [contact GitHub Enterprise support](#).

Managing subscriptions and notifications on GitHub

You can specify how to receive notifications, the repositories you are interested in, and the types of activity you want to hear about.
