

# Canceling or editing an invitation to join your organization

Organization owners can edit or cancel an invitation to become a member of your organization any time before the user accepts.

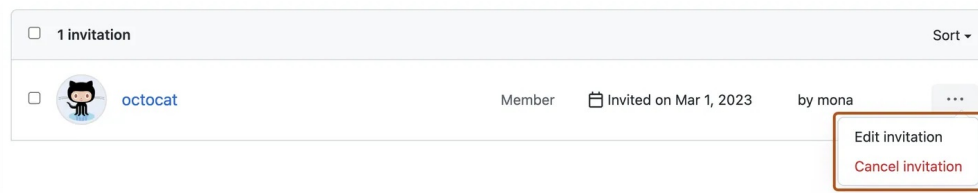

- 1 In the top right corner of GitHub.com, click your profile photo, then click  **Your organizations**.

- 2 Click the name of your organization.
- 3 Under your organization name, click  **People**.

- 4 Under "Organization permissions", click **Invitations**.
- 5 Next to the username of the person whose invitation you'd like to edit or cancel, click , then click **Edit invitation**, or click **Cancel invitation**.

- 6 To edit the invitation, in the dialog box, select a different role or team for the account, then click **Update invitation**.

### Edit The Octocat's invitation to Octo-Org

Originally invited by [Mona](#). As an owner, you can give The Octocat a different role and pick different teams for them.

#### Role in the organization

☒ **Member**  
Members can see all other members, and can be granted access to repositories. They can also create new teams and repositories.

☐ **Owner**  
Owners have full administrative rights to the organization and have complete access to all repositories and teams.

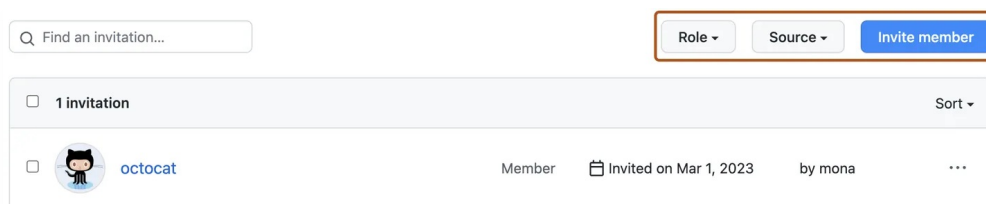

#### Teams — Optional

Find a team...

☐ **Octo Project** 1 member 0 repositories

[Cancel invitation](#) [Update invitation](#)

- 7 Optionally, to filter the list of pending invitations by role or by source, use the dropdown menus at the top of the list.
