This version of GitHub Enterprise was discontinued on 2023-03-15. No patch releases will be made, even for critical security issues. For better performance, improved security, and new features, upgrade to the latest version of GitHub Enterprise. For help with the upgrade, contact GitHub Enterprise support.

Maintaining GitHub Apps

After you create and register a GitHub App, you can make modifications to the app, change permissions, transfer ownership, and delete the app.

Modifying a GitHub App registration

Activating optional features for GitHub Apps

About GitHub App managers

Suspending a GitHub App installation

Transferring ownership of a GitHub App

Deleting a GitHub App
