Searching GitHub Marketplace

In this article

You can search for apps and actions that are available on GitHub Marketplace.

About searching GitHub Marketplace 🔗

You can find apps and actions on GitHub Marketplace in two ways:

- Search from in GitHub Marketplace.
- Search across all of GitHub.com and then filter the results.

Searching in GitHub Marketplace 🔗

① To open GitHub Marketplace, in the top-left corner of GitHub.com, select ☰, then click 🎁 **Marketplace**.

> **Note**: This step refers to the new global navigation, which is currently in public beta and subject to change. For more information on the new global navigation and reverting to the old global navigation, see the [GitHub Changelog](#).

② Type any keywords and press **Enter**.

③ Optionally, filter your results by clicking one or more options in the left sidebar.

Searching across GitHub.com 🔗

Anytime you search across all of GitHub.com, you can filter the results to see matching apps and actions from GitHub Marketplace.

① Navigate to https://github.com/search.

② Type any keywords and press **Enter**.

3 In the left sidebar, click **Marketplace**.
