Finding discussions

Further reading

You can easily access every discussion you've created or participated in.

> This article refers to the new global navigation, which is currently in public beta and subject to change. For more information on the new global navigation and reverting to the old global navigation, see the [GitHub Changelog](#).

Finding discussions 🔗

1. In the top-left corner of GitHub.com, select ☰, then click 🗨 **Discussions**.

2. Toggle between **Created** and **Commented** to see the discussions you've created or participated in.
